PE	<p><b>Badminton</b> We will be learning the basic skills and rules of badminton, including how to hold the racket correctly, serve, and return the shuttlecock. Through a variety of fun games and activities, we will practise control, accuracy, and teamwork while improving our coordination and movement. By the end of the unit, we will be able to rally with a partner and play small games using the rules of badminton. How can skill, practice, and teamwork help us improve our game?</p>					<p><b>Field Games</b> We will be learning the basic skills used in fielding games such as softball, kickball, and rounders. This includes throwing, catching, striking, and running between bases safely. Through a variety of fun games and activities, we will practise accuracy, coordination, and teamwork while developing our confidence when batting and fielding. By the end of the unit, we will be able to take part in small fielding games and apply the basic rules of each activity. How can practice, teamwork, and communication help us play better as a team?</p>						
PSHE	<b>Relationships</b>					<b>Changing Me</b>
